The levies in blue were eligible to receive revenue from the School District Facilities Fund (SDFF) which resulted as a reduction in property tax.

This information is provided by each of the districts listed. In order to calculate the difference in your voter approved contribution multiply your net taxable value listed for the year (which is found on your Assessment Notice or your Tax Bill) by the levy rate for the voter approved bond. Example: \$200,000 x 0.00173399 = \$346.80.
